SUBJECT: CONSTITUTION PARTY OF VIRGINIA OFFERING VIRGINIANS A CHOICE NOT AN ECHO!

At least 20% of voters would consider voting for someone other than Hillary Clinton and Donald Trump ([20% of Voters Want an INDEPENDENT CANDIDATE](#)), and the Constitution Party of Virginia offers Virginians a CHOICE and NOT an ECHO. John Bloom, Constitution Party Ballot Access Coordinator, believes that Charles Sykes, speaks for him and millions of Americans who could never vote for Donald Trump, [Charles Sykes Interview with Megyn Kelly](#) That the Libertarian Party Nominees Gary Johnson (Pres) - Gov Bill Welds (VP) do not offer an acceptable option for CONSERVATIVES due to their positions on social issues and is more like **Mitt Romney's and ESTABLISHMENT Republican's DREAM TEAM**, two former MODERATE Republican Governors.

Mr. Trump made statements that the "system is rigged" referring to the Republican Delegate selection process, but that is pale in comparison to the obstacles, BOTH the Republican and Democrat Parties have imposed on Independent challengers. Ballot access in Virginia requires obtaining 5,000 signatures STATEWIDE AND a minimum of 200 signatures in each of Virginia's 11 CDs, not an easy task to achieve with inexperienced volunteers, who are fed up with the Republican Party and desire a new political party of constitutional conservatives, for constitutional conservatives, and run by constitutional conservatives, To support ballot access effort the Constitution Party of Virginia announces their state leadership team, with a CD Coordinator in each of Virginia's 11 CDs which was accomplished with the use of Social Media (Facebook) entirely, without the help of traditional media (Newspapers or TV News).
